

Yaquina Bay Lighthouse Wedding Reservation Procedures

Yaquina Bay Lighthouse, the oldest existing building in Newport Oregon, is available as a location for your wedding ceremony. The Lighthouse has been restored and furnished with antiques replicating the 1870's lifestyle of the original keeper's family.

The parlor is available for indoor ceremonies for up to 20 guests. There is limited seating in the parlor, most guests will need to stand during the ceremony. Food, beverages and lighted candles are not permitted inside the building. Homegrown flowers are not permitted, however florist arrangements are fine. You may put up decorations as long as no nails or tape are used. Electrical outlets are available for recorded music and lighting. There is no artificial lighting in the lighthouse.

Weddings and receptions outside on the landscaped grounds can accommodate up to 100 guests. Rented canopies may be used in case of inclement weather, however the set-up must be coordinated with the park personnel to avoid damaging the sprinkler system.

The lighthouse is open to the public seven days a week from 11 AM to 5 PM summer, and 12 Noon to 4 PM during the winter months. Weddings may be scheduled at any time before, during and after open hours. The lighthouse *does not close for weddings* during open hours. The rental fee is \$150 and directly benefits the preservation of the lighthouse. The fee may be paid by check and mailed to Yaquina Lights, Inc. PO Box 410 Newport, OR 97365. You may also pay by credit card by calling (541) 574-3129.

Payment is required at least two weeks before the reserved date. The \$150 fee is refundable if your reservation is canceled with at least 24 hours notice.

Some options for Wedding Officiates

Lincoln County Clerk, Dana Jenkins, Contact Betty Parks or Barb Haase 541-265-4121 to schedule.
